Middle School Questionnaire

2009-2010

This survey asks about your behavior, experiences, and attitudes related to health, well-being, and schooling. It includes questions about use of alcohol, tobacco, and other drugs; bullying and violence; and what you do at school and how you feel about it.

You do not have to answer these questions, but your answers will be very helpful in improving school and health programs. You will be able to answer whether or not you have done or experienced any of these things.

Please do not write your name on this form or the answer sheet. Do not identify yourself in any other way.

Please mark all of your answers on the answer sheet. Fill in the bubbles neatly with a #2 pencil. Do not write on the questionnaire. Mark only one answer unless told to "Mark All That Apply."

This survey asks about things you may have done during different periods of time, such as during your lifetime (for example, did you ever do something?), or the past 12 months, or 30 days. Each provides different information. Please pay careful attention to these time periods.

Thank you for taking this survey!
